

advanced tag for advertisers

Shop Name

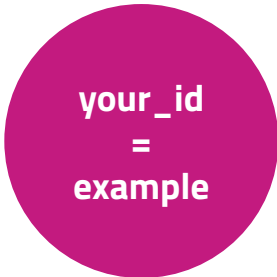

Shop URL

How to implement the advanced tag

A complete technical implementation guide for advertisers can be found here:

<https://support.advanced-store.com/en/articles/2301490-advancedtag-implementation-guide-for-advertiser>

```
<script type="text/javascript" charset="utf-8"
src="https://ad4m.at/your_id.js"></script>
<script type="text/javascript" charset="utf-8">
ADVANCEDSTORE_MAGICTAG.config({
  rtOptout: false,
  orderValue: "",
  orderId: "",
  pageType: "",
  pageUrl: "",
  productId: "",
  productCategory: ""
});
</script>
```
