

CAMPSITES

Southern France

Hello, I'm Tina

and I would be delighted to share with you my favourite campsites in Southern France. The region offers a plethora of stunning locations for nature enthusiasts. One of my top picks is the picturesque campsite nestled along the breathtaking coastline of the Côte d'Azur. With its crystal-clear waters and golden sandy beaches, it is a paradise for beach lovers. Another gem is a tranquil campsite nestled in the heart of Provence, surrounded by fragrant lavender fields and vineyards. For those seeking forests and small streams to swim, there's a charming campsite located in the Cevennes, offering breathtaking views and fantastic hiking trails – even with donkeys.

Whether you prefer a peaceful retreat surrounded by nature or a lively campsite with plenty of activities for children, Southern France has it all. So, pack your camping gear and get ready for an unforgettable adventure in this enchanting part of the world! These campsites guarantee unforgettable experiences in the beautiful landscapes of Southern France.

Have a nice vacation,
Tina
